## Software Engineer

### Backend PHP Developer

48 Ferris Avenue, Deer Park  
Melbourne, Victoria  
Australia  
**0450 271 609**  
**moemawla@hotmail.com**

#### EDUCATION

##### **AUCE, Baalbeck/Lebanon — BS in Computer Science**

OCTOBER 2009 - OCTOBER 2012

Also known as “C&E American University Institute”

GPA : 3.8

#### EXPERIENCE & TRAINING (2+ years)

##### **Matic, Beirut/Lebanon — Software Engineer**

NOVEMBER 2018 – Present

*Matic is a SaaS enabled marketplace connecting users to registered cleaners in UAE and Kingdom of Saudi Arabia.*

*My role in Matic was to help in maintaining the back-end system, updating the code base to a newer framework (from Yii to Symfony 3.4), with 100% PHPUnit coverage, and implementing new features including integration with third-party services such as Zendesk, Braze and Voucherify.*

##### **Achievements:**

*2019 Q2 Best Achiever “Blue Guru”.*

*Promotion from “Junior Software Engineer” to “Software Engineer”.*

##### **SE Factory, Beirut/Lebanon — Cycle #7 Graduate**

JULY 2018 - OCTOBER 2018

*Intensive full stack web development program covering cloud architecture, front-end and back-end development, source control, and web application security over 14 weeks of lectures, workshops and projects.*

##### **Brands For Less and others, Beirut/Lebanon — IT Support**

OCTOBER 2012 - JUNE 2018

*Worked as IT support in several firms: DCS MEA, FNB trading, Brands For Less megastores, and Estafeed.*

*Handled different tasks such as maintaining hardware devices and software programs, networking, data-entry, customer technical support, staff technical support, etc.*

#### PROFILE

Hardworking and challenge-loving developer, always curious about the world and eager to try new things. Usually mistaken for a 1960s James Bond villain.

#### TECHNICAL SKILLS

PHP, MySQL, Symfony, PHPUnit, RabbitMQ, Git, Linux(Ubuntu)

#### SOFT SKILLS

Problem solving, communication, team player

#### LANGUAGES

Arabic // Native  
English // Professional  
Russian // Moderate
